Dear residents,

RE: Update on the Building Safety Regulator application for Chloe and Thalia Court

Further to our letter dated 25 February 2025, we are writing to provide you with an update on the Building Safety Regulator (BSR) application for Chloe and Thalia Court.

As you know, we were due to receive an update from the BSR on 26 March 2025, and we have unfortunately been informed that the regulator has submitted an eight-week extension of time request regarding our application for Chloe and Thalia Court. We have now been given a new determination date from the BSR of early May.

We know how frustrating this is and have met with representatives from the BSR to discuss the ongoing delays. Following this discussion, we do hope that the BSR will grant us approval for Chloe and Thalia Court soon.

Thank you for your continued patience and cooperation regarding this matter. We will write to you again as soon as we have received another update from the BSR. If you have any questions following this update.

Should you have any questions or concerns, please do not hesitate to contact Rehan Chowdry via email at Rehanchowdry@wandle.com.

Yours sincerely,
Rehan Chowdry
Building Safety Project Officer
