Notification of Proposed Remedial Works to Chole Court and Thalia Court, London, SE15 4ST

Dear Residents,

During our previous correspondence in October 2024, we informed you that we have appointed a contractor to carry out the external wall remediation works.

We have been in touch with the Building Safety Regulator (BSR), and they have advised that they will give approval by 26 March or earlier. As soon as we receive this decision, we will arrange a "Meet the Contractor" meeting to introduce the contractor and provide more details. At that time, we will also be able to advise on a potential start date for the works and the expected duration.

The buildings will be fully scaffolded during the works. We will do our best to minimise any disruption and ensure access is maintained wherever possible. Should you have any questions or concerns, please do not hesitate to contact Yas Akhtar via email at YaseenAkhtar@wandle.com.

Yours sincerely,
Yaseen Akhtar
Building Safety Delivery Manager
